Please answer the following questions:

1. Which area of town are you interested in working in (North South, specific city/location)?
2. Can you travel outside this area to other areas?
3. What kind of hours are you looking for?
4. The season starts mid-May, is there any reason why you wouldn't be able to start then?
5. What is the schedule of your availability (are there specific days/times in the week you cannot work or is it completely open)?
6. Are you out of town at all this summer & how frequently?
7. Would you be able to work through the entire season (through Labor Day and possibly through the 30th of September)?
8. Do you hold a current (or have you held in the past) lifeguard certification?
9. If so, what is the expiration date and who is the provider (American Red Cross, YMCA, Ellis, etc.)?
10. If not, what are your swimming abilities or past swimming experiences?
11. If you are not currently certified, are you prepared to pay for and commit to a certification course that is about 30 hours of training/skills instruction to teach safety of patrons in/around water? The LG certification is valid for 3 years. If you have been a guard in the past, then recertification is also available either in a review or challenge format. Most local recreation centers also provide classes.

Thank you and we will schedule interview based on who responds first, so your quick response is necessary! Also, these interviews are in an open format, will be started in a "first come first interview" basis, and may also be in a group setting. Please be prepared to wait for the next round if there are several applicants at one time or if a round has already started. We thank you in advance for your cooperation and patience!
